Together for a strong circular economy

LabMakelaar Benelux B.V.  Laboratorium.shop

Occasion laboratory equipment and furniture, consumables and lab spaces

LabMakelaar Benelux B.V. strives for a world with a strong **circular economy**, in which companies have easy access to a total solution for furnishing their laboratory with **high-quality** and **recycled equipment and furniture**.

LabMakelaar Benelux B.V. consists of 3 business divisions to offer an all-in concept for the laboratory;

- LabMakelaar** for laboratory equipment and furniture
- Laboratorium.shop** for glassware and consumables
- LabForRent** for renting and renting out laboratory spaces

We coordinate the purchase and sale of any type of used laboratory equipment, supplies or furniture in an independent, personal and efficient manner.

In this way, you may very well be able to find your desired laboratory equipment and you will contribute to a circular economy!

**Circular purchasing is not only environmentally friendly, but also budget-friendly.**

Do you have laboratory equipment that you no longer use? Please do not hesitate to contact us. We may be able to take it over from you.

LabMakelaar Benelux B.V. is partner of MVO Nederland (CSR Netherlands)

## LabForRent

*Renting (out) lab spaces*

**LabForRent** is the most efficient online platform where supply of and demand for hightech facilities meet.

Our drive is to make a sustainable contribution to open innovation and economic growth in the Benelux. We do this by supporting companies in finding the right space for their activities. We are convinced having suitable space for business activities is crucial for companies with growth ambitions.

LabForRent is a user-friendly, digital marketplace, connecting companies to available high tech facilities. With this platform, you can advertise your laboratory premises, pilot plant cleanroom and test facilities and reach out to many companies.

LabForRent connects Life Sciences companies and promotes cooperation and innovation between them. It is the first ever professional digital platform that connects supply and demand for laboratories, cleanrooms, pilot plants and test facilities. The online platform gives starting and growing companies an overview of all the high tech facilities available in the Benelux, not only within companies but also in incubators, knowledge institutions and science parks. If you are on the lookout for a lab, you can find one on [www.LabForRent.nl](http://www.LabForRent.nl).
